Join Us for some Magic in the Mountains. The Rotary Club of Canmore is hosting it's 2nd annual Festival of Trees and you will not want to miss it! A magical forest of sparkling trees with imaginative decorations awaits you – children and adults alike will love it. For 4 days, we will be providing a wonderful venue for you to bring your children, family and friends.

Over the 4 days, we have the grade 1 school children come and experience the magic of Christmas, we hold children's craft and game activities, there is a bonspiel, a seniors' tea and of course general admission for all. We will have breakfast with Santa on Sunday. For the adults, the highlight of the weekend is the Saturday night "Spirits of Christmas" which is a celebration of food, music and spirits set amongst the myriad of uniquely decorated trees.
